

Teaching Tips: Advanced

Beat: Advanced

Introduce: shuffle popular instrumentals having students lead different dances

Reinforce: circle up and create a dance routine where each student adds a move done across 4 beats

Assess: perform the routine seeing who can remember each student's moves

Rhythm: Advanced

Introduce: dictate rhythms from a popular song

Reinforce: assign rhythms to different groups of students

Assess: perform song accompanying on rhythm instruments playing at right time

Pitch: Advanced

Introduce: play or sing simple 2-note melody having students sing back

Reinforce: try 3-note, 4-note, or even 5-note melodies

Assess: have students do a melodic dictation on paper

Timbre: Advanced

Introduce: get short stories from school library or homeroom teachers

Reinforce: act out short stories using timbres as foley or sfx

Assess: use written assessments having students "review" performances, deciding who had the most appropriate sfx or timbres for their scene
